**Subject:** Press Inquiry from Reuters News Agency: Gold King Mine spill video

Hi Rich, this is Steve Phillips on the TV desk of Reuters News Agency. Is the EPA making any video available to news Agencies of the Gold King Mine Incident? FYI, I found the EPA still image gallery located here: [http://epaossc.org/site/image\\_list.aspx?site\\_id=11082](http://epaossc.org/site/image_list.aspx?site_id=11082)

Thanks for your help, Steve Phillips 202-898-0056
